

When even compression is needed the DUKAL Elastic Bandage Roll will provide consistent support. It's knitted construction offers strength, comfort, and breathability. Each bandage is individually wrapped and includes two metal clips. Available in latex and latex free.

Our Premium Elastic Bandages are designed with self closure application at both ends. This in combination with the knitted construction provides a better hook to secure and minimizes pulls on the fabric for repeat use on the same patient. Each bandage is individually wrapped and latex free.
