Laparotomy Sponges:

DUKAL Laparotomy Sponges are manufactured to exceed customer expectations. Our 100% cotton lap sponges are cross stitched with super locked edges to minimize linting and loose threads. The high quality cotton and tight weave ensure that DUKAL lap sponges offer superior absorption.

Dukal's 3 ply Caliber™ Surgical Drapes are excellent for use during minor surgical procedures. Two layers of absorbent tissue with a polyethylene lining in between help eliminate risk of bacterial migration and moisture strike through. Use blue tissue side up to prevent glare. Available in both plain for general use, and fenestrated to allow access to operative site while protecting the surrounding area. Sterile, latex free.
